Scholarship

Heavy Equipment Operator Training
at North Central Kansas Technical College in Beloit, KS

Opportunity

This scholarship is put towards the 9 month training program in Heavy Equipment Operations at the North Central Kansas Technical College in Beloit, KS. Upon completion of the program, the student will be expected to work for 15 weeks on a paid internship program with Adams Construction. At the end of the internship, the recipient can elect to apply for full time employment with Adams Construction or seek other employment.

About Us

Adams Construction Company specializes in heavy highway construction and all types of grading. Founded in 1946 by Don Adams, the company remains family owned and operated.

Application Process

Application materials must be received by April 30th in order to be considered. The following materials should be submitted:

- Completed application form
- Copy of resume (include GPA)
- One page essay

Selection Process

Recipients will be selected based on application materials provided. Finalists will be contacted for personal interviews at our company's headquarters. Scholarship recipient will be chosen by June 1st.

Purpose of Scholarship

To provide financial assistance to a student with an interest in pursuing a career in heavy equipment operation.

Award

\$1,500 scholarship payable to NCKTC prior to the start of the fall semester.
